

# *STUDY GUIDE!* for 2/18

King	Kingdom
Phineas	Phylum
Called	Class
Out	Order
For	Family
Goosey	Genus
Snails	species

Scientific Name: Genus species

Humans: Homo sapiens

5 Kingdoms:

**Animal**

**Plant**

**Fungus (or Fungi)**

**Protists (or Protista)**

**Bacteria (or Monera)**

Scientists usually say the 6 Kingdoms because they divide the Bacteria into 2 groups: "archaebacteria" and "eubacteria".

Review how to identify an animal using a key. See the copied pages I gave you!
